Support the Children of the World in Harmony. . . . . and more

INTERNATIONAL YOUTH CHOIR & DANCE FESTIVAL - June-21-26, 2012

A galaxy of choirs, dance, and instrumental ensembles perform throughout the Little Traverse Bay area.

Our galaxy represents the hundreds of children who make up the many ensembles of the festival. They light up our lives and are the bright stars of the future.

Unfortunately, some of these young stars may not be able to participate in the these programs because of the high cost of travel and related festival fees which cover housing, meals, music, local transportation, t-shirts, social activities, etc. Think of the children singing, dancing and playing together and know that your contribution will help bring an enthusiastic, grateful, and excited young participant.

Individuals, service organizations, and businesses are invited to become a Friend of the Festival; Adopt a Star, a Constellation, or a Galaxy: or support the Little Traverse Youth Choir or Dancers Without Borders.
